

Quality Policy

WA Fuel is committed to providing our customers with constant, easy, and safe access to fuel throughout Western Australia. We are a Western Australian owned company providing the following services:

- Operational management of depots.
- Bulk fuel supply and delivery.
- On site refuelling.
- Fuel tank supply, delivery, and maintenance.

WA Fuel has established an Integrated Management System (IMS) to address our quality, occupational health and safety, and environmental requirements.

We are committed to:

- Being the best fuel distributor in Western Australia for reliability, quality and competitive pricing.
- Providing innovative fuel storage solutions to our customers.
- Fulfilling our legal and other compliance obligations.
- Evaluating and monitoring the performance of sub-contractors and suppliers.
- Continuously improving our products and services and our IMS.
- Maintaining our IMS in accordance with ISO 9001:2015 Quality Management Systems.
- Consulting with and including our workers in the development, implementation, and review of our IMS.
- Establishing measurable objectives to enhance the satisfaction of our customers.

We will ensure that our Quality Policy is available and communicated to our workers and interested parties.
